

Frequently Asked Questions

The following are some of the questions most commonly asked of our attorneys, followed by general answers that may or may not relate to your case specifically. For more detailed answers to any legal questions you might have, or for an evaluation of your individual case, please contact Bailey Glasser here.

How do I know if I have suffered injuries as a result of a medical mistake?

Can I file a lawsuit if I am injured on the job?

If I am harmed by a drug or medical device, is it my doctor's fault?

What do I do if I am subjected to sexual harassment?
