“This is a wonderful result for your clients and for everyone, and I appreciate it. It is really wonderful when a judge has such fine lawyers in front of her. Throughout this case ...the quality of the work for all the parties has really been extraordinarily good...Congratulations to all of you for the fine work.”

Diebold v. Northern Trust Investments (recovered \$36 million)

Greg Porter has extensive trial and class action experience in complex pension, 401(k) plan, and employee stock ownership plan (ESOPs) lawsuits in federal court. Greg has led the firm’s ERISA and trust practice to major trial and appellate victories, including seminal decisions in the Seventh and Fourth Circuit Courts of Appeal and a \$30 million trial judgment that broke new ground for ESOPs. With co-counsel, the firm’s ERISA practice won a 9-0 decision in the Supreme Court, Intel Corp v. Sulyma, that established key statute of limitations rights for employees in ERISA cases.

Greg has recovered hundreds of millions of dollars on behalf of employees who lost retirement savings in 401(k) plans and ESOPs. He understands complex financial transactions, investments, and instruments.

Greg has also developed techniques for successfully investigating and prosecuting complex lawsuits involving business valuation, securities lending, hedge funds, and private equity. He is a skilled appellate advocate who has argued appeals in the Second, Fourth, Sixth and Eighth US Circuit Courts of Appeal.
