

Bailey Glasser Named Legal Lions of the Week by *Law360*

03.09.2020

On February 27, *Law360* named Bailey Glasser as one of the legal lions of the week for our recent victory in the US Supreme Court in the Intel v. Sulyma case. The US Supreme Court held that an employee cannot be barred from suing under the Employment Retirement Income Security Act's (ERISA) statute of limitations simply because she received information about retirement plan investments. Instead, the employee must read and understand the information to have "actual knowledge."

Bailey Glasser lawyers Gregory Porter and Mark Boyko represented the plaintiffs in this case along with Jonathan Taylor and Matthew W.H. Wessler of Gupta Wessler PLLC, R. Joseph Barton of Block & Leviton LLP, Joseph Creitz of Creitz & Serebin LLP.
