

Bailey Glasser Prevails as Fourth Circuit Kills Dish Network's Appeal of \$61.3 Million TCPA Verdict

06.05.2019

Law360 covered Bailey Glasser's precedent-setting win for the proposed class in its dispute with Dish Network over the company's appeal involving a more than \$61 million jury verdict and related telemarketing class action suit. Dish spent nearly half a decade trying to convince first a North Carolina federal court and then the Fourth Circuit that it should not be held accountable for telemarketing calls made by its authorized dealer Satellite Systems Network (SSN). However, the court disagreed and in a bluntly-worded opinion completely affirmed Judge Eagles' entry of a \$61.3 million judgment against Dish.

The Bailey Glasser team included partners Brian A. Glasser, John W. Barrett and John Roddy.
