06.22.2017

Jonathan Marshall will be a presenter at an upcoming webinar, *Time-Barred Debt Cases under the FDCPA after Midland Funding v. Johnson (U.S. 2017)* presented by the National Association of Consumer Advocates on Thursday June 29th.

The webinar will focus on time-barred debts and the impact of the *Midland Funding v. Johnson* ruling. The Supreme Court's May 2017 decision in *Midland Funding v. Johnson*, 2017 WL 2039159 (U.S. May 15, 2017) put to rest questions about claims under the FDCPA for creditors' pursuit of time-barred debt in both the bankruptcy and civil arenas.

The webinar will give bankruptcy and consumer lawyers an overview of this important decision and of what types of time-barred debt claims will have the best chance of success moving forward.
