Trish Kipnis concentrates her practice on consumer class actions, complex litigation, and appellate advocacy. As an experienced litigator, she pursues consumer claims on behalf of state and national classes. Trish regularly handles cases stemming from a full range of deceptive, unfair, and fraudulent business practices.

Trish particularly enjoys the research, innovation, and writing components of her legal practice: from developing and alleging claims, persuading the courts and adversaries of the merits of those claims, and achieving results for her clients in the courtroom or at the negotiating table. She has served on class counsel teams for dozens of certified class actions and helped successfully resolve many of these matters.
