

How the American Rescue Plan Will Impact the Shuttered Venue Operators Grant (SVOG)

03.12.2021

With the Senate's passage of the **American Rescue Plan**, the US Small Business Administration (SBA) will almost certainly be issuing updated guidance this week on the Shuttered Venue Operators Grant (SVOG), a grant program directed to **live venue operators or promoters, theatrical producers, live performing arts organization operators, museum operators, motion picture theatre operators, and talent representatives** that have been brought to a halt during COVID-19. Although the SBA has yet to release the application, learn what steps you can take now to be prepared.

In this free up-to-the-minute 30-minute webinar, Bailey Glasser attorneys Alex Serber, Marc Weintraub, and Michael Murphy will dive deep in to the SVOG program and give you an easy-to-understand primer on the following topics:

- Who is eligible for the SVOG?
- How to apply?
- When can you apply?
- Can an entity apply for a PPP loan now and decide later how to classify themselves?
- How do they define the types of entities?
- How is "revenue" being defined?
