

Katherine Charonko Presenting at AAJ Webinar

01.16.2020

On January 16, Bailey Glasser Partner Katherine Charonko will share insights during the webinar titled “E-Discovery: ESI Protocols, Social Media, and Emerging Personal Devices,” sponsored by the American Association for Justice (AAJ). Katherine manages Bailey Glasser’s e-Discovery and ESI (Electronically Stored Information) practice. She also serves in leadership roles for numerous Discovery & ESI Subcommittees in multidistrict class-action litigations (MDL), including the defective 3M combat arms earplugs case.

The speakers will delve into ESI’s unique challenges, including methods and scope of collection and privacy concerns. You can register for the webinar [here](#).
