

# COVID, CARES, and Biden, Oh My! Preparing Your Proactive 2021 Tax Strategy

01.28.2021

It is never a bad time to start thinking proactively about tax strategies to help you optimize and protect your hard-earned revenue. In this 30-minute webinar, Bailey Glasser attorney and Tax Practice group Leader Alexandra Serber will give you important information and ideas about what to plan and prioritize for 2021, including:

- How will the Biden Administration change tax policy within the Internal Revenue Service and how will this impact your business?
- How should your business start to prepare for the 2021 tax season with the ever evolving Paycheck Protection Program (PPP) Loans?
- How will the CARES Act continue to impact your business tax decisions in 2021?
- If student debt relief is passed, how can you take advantage of the program.

DON'T miss out on this webinar to ensure that you are ready for the upcoming tax season.
