02.26.2018

Bailey Glasser sponsored a mock trial team at West Virginia University College of Law this semester, with attorneys Greg Haddad and Travis Prince serving as coaches. The team competed last week in the 55th Annual Academy of Trial Lawyers of Allegheny County Mock Trial Competition in Pittsburgh, PA. The students received a successful jury verdict and walked away with valuable experience trying a case in federal court before a sitting Pennsylvania appellate court judge.

The team consisted of four WVU Law students: Chase Farmer, Tyler Cottrill, Zack Gray, and Nathan Wagner.
